Heckmondwike Loose Lay Mats

Mats

You want your entrance area to look good and to stay looking good. That's where Heckmondwike Loose Lay mats are the perfect solution. They're available in four of our most popular entrance ranges: Hippo, Diamond, Dreadnought and Vanquisher. Plus, for the special requirements of the care environment, Pure Care and Total Care too.

Manufactured to the very highest quality from heavy contract fibre bonded entrance area carpet, these rubber edged mats sit firmly and securely on any surface, acting as interceptors to clean shoes on arrival. They not only look smart, but help preserve the look and lifespan of interior carpeting too.

In their Pure Care and Total Care versions, they are extremely stain and spill resistant while being soft underfoot and providing a comfortable surface for children to sit on in primary schools and nurseries.
